*The Ukiah Senior Center
provides a much needed
Outreach Service to
Seniors in our local
community.*

*Our goal is to responsibly
lend a hand and
assist in fulfilling
the day to day needs
and requirements of
seniors who reach out
to us for help.*

Our caring, “hands on” contact staff person offers support with:

Medicare Part D

Registration and referral information for Medicare supplemental insurance.

Money Management

Services offered to seniors having difficulty with organizing their finances. This could include daily tasks such as, paying the bills, balancing the check book and organizing financial records.

Independence

Provide visits to isolated or lonely older and disabled adults in need.
Increase awareness and utilization of services available in the community.

Arrange for transportation to important medical appointments and target isolated seniors for participation in activities held at the Ukiah Senior Center.

Assist with caregiver referrals.

Work with out of town family members to provide references for services available in our community for senior support. Additional trainings provided upon request.
